(Check-in 8:30am)

Christ Fellowship Bible Church
319 Deacon Rd.
Fredericksburg, VA 22405

How to Study the Old Testament History and Prophecy & New Testament Letters

This workshop teaches the Inductive Bible Study Method.

- Learn observation, interpretation, and application skills for Old Testament history and New Testament letters.
- Learn how to apply these skills to make proper application to your life.
- Study selected passages from Old Testament history books.
- Learn to properly interpret Old Testament prophecy books in their historical setting.
- Apply inductive study skills to Old Testament prophecy using the book of Amos.
- Understand more about who God is and how He works.
- Apply inductive study skills to a New Testament letter using the book of Titus.
- Observe a chapter.
- Use a concordance for simple word studies and cross-reference.

Participants should bring:

- Bible
- Colored pencils (Recommended: red, blue, black, green, purple, and orange)

Materials provided:

- Student Packet
